## "THE ANGLE LAMP"

THE LIGHT  
THAT NEVER FAILS.It seems almost incredible that  
any lamp could be good enough to  
take the place of electricity on even  
terms, yet such is the case with the  
ANGLE LAMP. All over the islands  
people are throwing away their old  
lamps and replacing them with this  
lamp, not merely because it costs  
about one-tenth as much to main-  
tain (cost is no object to some peo-  
ple) but, beside being infinitely  
cheaper, it is more brilliant and  
more reliable in the bargain. It is a  
revelation to every one who uses it  
and simply demonstrates that the  
old-fashioned lamp was a barbarous  
contrivance. THE ANGLE LAMP  
never smokes, smells or gives any  
trouble, is lighted and extinguished  
as easily as gas, and is the idea  
light from every standpoint. We  
carry these lamps from \$1.00 up.

## SHRINERS AT THEATER

WILL SEE NELL GWYNNE

TO-NIGHT IN REGALIA

Visiting Shriner Ladies Will Give  
Reception and Ball To-morrow  
Night at the Moana  
Hotel.The theater party which will attend  
the special performance of "Nell  
Gwynne" at the Hawaiian Opera House  
tonight, will be one of the most im-  
posing sights that ever confronted the  
proscenium in Honolulu. The entire  
caravan of visiting Shriners with their  
ladies, the members of Aloha Temple  
and their wives and friends will fill the  
whole auditorium.The Shriners will be arrayed in their  
costliest robes and regalia and the  
theater will be decorated specially for  
the occasion with the emblems and  
colors of the order. The exquisite play  
of Nell Gwynne will be a suitable stag-  
ing for the distinguished audience.Tomorrow night at the Moana hotel  
the ladies of the visiting Nobles will  
give a reception and ball to the mem-  
bers of Aloha Temple and their wives.  
Other Honolulu ladies, whose husbands  
are not Shriners, but who have ex-  
tended marked courtesies to the visi-  
tors, will also be present. The recep-  
tion and dance will be under the  
charge of the visiting ladies. They  
have the assistance of a committee in  
making the preliminary arrangements.  
This committee consists of Messrs. Geo.  
F. Sinclair, L. E. Wood, Frank W. Lyle  
and John A. Wolcott.The ball will be held in the dining  
room. A quintet club will furnish Ha-  
waiian music. Refreshments will be  
served. The event is looked forward to  
with the keenest anticipations of plea-  
sure by the invited ones.

## FAUST CLOSSES SEASON

Morrison's production of Faust last  
Saturday night was well received by  
the audience. The house was filled,  
and the great actor was applauded  
quite freely at times.On the whole the play was not as  
good as the production of "Richelleu"  
last Tuesday night. While Morrison  
was remarkable throughout the whole  
show, the support was feeble. Hender-  
son was good in the death scene but  
appeared very tired from the afternoon  
performance. It would be unkind to  
criticize the others. They did their  
best.Miss Roberts was as good as ever  
and delighted the audience from first  
to last. Honolulu regrets that it can-  
not see more of this charming actress.

## RECALLING VOLUNTEERS.

Washington, March 15.—The officers  
of the Adjutant General's and Quar-  
termaster General's departments are de-  
voting their attention to the sending  
of regular troops to the Philippines to  
replace the volunteers brought home.  
The main object of the officials is to  
prevent any material decrease in Gen-  
eral MacArthur's army of 60,000 men.  
There are about 40,000 regular troops  
in the Orient, including those in China.  
In order to keep the strength up to 60-  
000 men it will be necessary to provide  
about 20,000 fresh troops from the  
United States before July 1st.

## QUEER COINCIDENCE.

Some of the members of the House of  
Representatives say it is a very pecu-  
liar coincidence that President Grant,  
the introducer of the now defunct Tram-  
ways bill was not present when his pet  
bill was given its death blow by an al-  
most unanimous vote to indefinitely  
postpone. It is also thought to be pec-  
uliar that one of the strongest mem-  
bers of the Independent party in the  
House—Mahoe—was the one to make  
the motion to indefinitely postpone.

## Sued Under the Anti-Trust Law.

Tacoma, March 15.—In the United  
States Court today Judge Bellinger  
granted the defendant's motion for a  
nonsuit in the case brought by S. A.  
Gibbs against the Washington Red  
Cedar Manufacturing Association to re-  
cover damages under the anti-trust law,  
claiming the association had damaged  
his business by combining to fix prices  
and curtail the output.

## Decision on Eight-Hour Day.

Tacoma, March 15.—In the Superior  
Court today Judge W. H. Snell decided  
the State law making eight hours a  
day's work for all men employed in  
public works applied only to men em-  
ployed by the day and not to men  
working by the month or year.Those wishing reliable horses, ex-  
perienced drivers, new rigs, fair prices  
and courteous treatment should call at  
the Territory Stables. Their telephone  
number is Main 35. They deliver and  
call for rigs free of charge.

## ON EXTENSION OF SESSION

It is now a pretty well established  
fact that the Legislature will be unable  
to finish the work before it in the sixty  
days set by the Organic Act so that the  
legislators are wondering whether or  
no they will get the extension of thirty  
days.It seems to be the impression among  
members of the Senate and House that  
the Governor does not intend to grant  
the extra session. Where this impres-  
sion comes from cannot be learned and  
perhaps it is not known. However, the  
members of the Senate and House are  
firm in this belief.It is learned on good authority that  
the Appropriation Bill will be delayed to  
the very last thing on the program of  
the session. If this is carried out, the  
Governor will be forced to grant more  
time for the provisions of Section 54 of  
the Organic Act leave him no other  
alternative. According to this section,  
the Legislature must sit until it has  
passed the Appropriation Bill.In connection with this bill, it may  
be said that there will be a great deal  
of time taken up in its discussion for  
the policy of the Independents is to  
cut wherever it is necessary.
